**THE SIX SWANS**

By William and Jacob Grimm  
Chapter 1 of 5

A KING was once hunting in a large wood, and pursued his game so hotly, that none of his courtiers could follow him. But when evening approached he stopped, and looking around him perceived that he had lost himself. He sought a path out of the forest, but could not find one, and presently he saw an old woman with a nodding head, who came up to him. "My good woman," said he to her, "can you not show me the way out of the forest?" "Oh, yes, my lord King," she replied, "I can do that very well, but upon one condition, which if you do not fulfill you will never again get out of the wood, but will die of hunger."

"What, then, is this condition?" asked the King.

"I have a daughter," said the old woman, "who is as beautiful as anyone you can find in the whole world, and well deserves to be your bride. Now, if you will make her your Queen, I will show you your way out of the wood." In the anxiety of his heart the King consented, and the old woman led him to her cottage, where the daughter was sitting by a fire. She received the King as if she had expected him, and he saw at once that she was very beautiful, but yet she did not quite please him, for he could not look at her without a secret shuddering. However, after all, he took the maiden up on his horse, and the old woman showed him the way, and the King arrived safely at his palace, where the wedding was to be celebrated.

The King had been married once before, and had seven children by his first wife, six boys and a girl, whom he loved above everything else in the world. He became afraid, soon, that the stepmother might not treat them very well, and might even do them some great injury, so he took them away to a lonely castle which stood in the midst of a forest. This castle was so hidden, and the way to it so difficult to discover, that he himself could not have found it if a wise woman had not given him a ball of cotton which had the wonderful property, when he threw it before him, of unrolling itself and showing him the right path.
